Project Highlights

TERRAIN webinars: sharing best practices

TERRAIN has launched a series of transnational webinars on sustainable mobility, focusing on digitalization, shared and active mobility and integrated transport. Mentor cities and European partners shared experiences and best practices to support the transition towards net-zero, people-centred systems. The fourth

and final webinar on electromobility will be held in Ioannina in the coming months.

TERRAIN one step further: successful partner meeting in Sarajevo

Sarajevo, October 9–10, 2025. TERRAIN partners met in Bosnia and Herzegovina for the third project meeting, hosted by the Ministry of Traffic of Canton Sarajevo. They reviewed progress, shared Twinning experiences and planned next steps toward sustainable, climate-

neutral mobility across the Adriatic–Ionian region. A study visit highlighted Sarajevo's impressive public transport and cycling initiatives.
